

Maui (Kahului) Featured Shore Excursions

Haleakala Crater: Adult Pricing From \$64 (Pre-book & Save \$5)

This scenic journey takes you through upcountry Maui to the top of the world's largest dormant volcano, Haleakala. At the summit is a vast crater measuring seven-and-a-half miles long by two and-a-half miles wide. This dormant volcano last erupted in 1790 and imparts a sense of awesome power by virtue of its size alone. Haleakala Crater is a natural wonder and is the highest point on Maui. The views from the top at over 10,000 feet above sea level are magnificent. On a clear day, you'll even enjoy views of

Mauna Loa and Mauna Kea. From the rim, you'll be able to appreciate firsthand the unique beauty of this massive crater with its interesting mix of volcanic rock and plant life, some of which, like the silversword plant, is found only in Hawaii's volcanic craters. Note: This tour is not recommended for guests with respiratory or heart problems. We recommend you bring a sweater as temperatures range between 40-65 degrees Fahrenheit at the crater's top.

Road To Hana: Adult Pricing From \$139

Sit back and enjoy the sights along the famed Hana Highway without having to navigate the twisting, curving road yourself. An expert driver takes the wheel, while you take in the incredible scenery: lava cliffs, tumbling waterfalls, the rugged northern coastline, and tropical hillsides. You'll visit various sites along the way to 'heavenly Hana,' the wonderfully isolated, unspoiled region between the eastern slopes of Haleakala and the Pacific Ocean. Enjoy lunch on your own at Hana Ranch before heading to the

Kipahulu District of Haleakala National Park. There you'll have the chance to photograph the glistening pools formed by several waterfalls cascading down the side of Haleakala. Before heading back to your ship, indulge your taste buds and try some local wine at the Tedeschi Winery. Note: This tour is not recommended for those guests who are prone to motion sickness or suffer from back problems, as part of the road traveled is unpaved. Due to road construction the Seven Pools "Ohe 'o Stream and Pools", Lindberg's grave, and Tedeschi Winery will not be able to be accessed starting April 28 until June 2009. However, more time will be spent at Wainapanapa where you can view the black sand beach and enjoy some walking trails. You will be given time to purchase your own lunch.

Molokini Crater Snorkel: Adult Pricing From \$119

Departing from the pier, take a scenic drive to Ma'alaea Harbor where your catamaran will depart, taking you across the channel to Molokini Islet which lies between Maui and Kahoolwe. Molokini, a crescent moon-shaped islet located less than three miles off Maui's southern coast, lies along Haleakala's southwest rift zone. This area is known as one of the top ten snorkel sites in the world and home to more than 250 species of fish including surgeonfish, tangs, parrotfish, Moorish idols and more!

After snorkeling at Molokini, the boat makes a second stop at Turtle Arches where you can swim, snorkel and may even encounter a Hawaiian green sea turtle! Enjoy a shopping stop before returning to your ship. Note: We reserve the right to choose alternate snorkel sites depending on wind and sea conditions. Continental breakfast, a delicious lunch, refreshments, all snorkel gear and floatation devices are included. Wetsuits may be available for rent.
